When does the cover start and end?

Your cover will start and end on the dates specified in your policy schedule. If you have already booked your trip, cancellation cover for Annual Multi-Trip policies starts from the first cover date shown in your policy schedule, or for Single-Trip policies, it starts from the issue date shown in your policy schedule.

How do I cancel the contract?

You can cancel your policy within 14 days from the date you receive the policy documentation at the start of your insurance or the renewal policy documentation for subsequent periods of insurance.

Should you decide to exercise this cancellation right, you will be entitled to a refund of premium, less an appropriate pro-rata charge for the period of cover given before the cancellation right was invoked. Should any claim occur prior to the exercise of the cancellation right where the claim terminates the insurance cover, you may not receive a refund of any of the premium paid.
